

## THE CORNER SALON BANGKOK – A MAP TO HELP YOU FIND US

### Helpful Tips:

1. Taxi – don't use a Taxi if they quote you a price. Only use Bangkok Taxis that put the meter on – Say no thanks and grab the next one. Call us if they take you on a magical mystery Tour.
2. Bangkok is super busy and super congested – If you have booked an appointment please leave a good amount of time to get to us. If you arrive early there is a nice steakhouse next door to kill some time.
3. If you do manage to get lost – find a payphone and call the number above. The Reception staff can always talk to taxi drivers or get you back on track. Don't forget you can always ask a taxi to take you to any BTS skytrain station; it's easy to find us from Sala Daeng BTS Station as we are a 5-10 minutes leisurely walk away.
